

Did you know:

- over 25% of children have not been to the dentist
- 60% of children under 5 have already some form of tooth decay

We bring our dentists to your school for FREE!

Do your parents struggle to find time to take their child to the dentist?

Do your kids need dental care, but can't all afford it?

TeethNSmiles can help!

Who we work with:

Why Teeth N Smiles will make you and your students smile:

- ✓ **FREE dental care** for ALL students
- ✓ Dental treatment delivered by **qualified and accredited dental professionals**
- ✓ **No paperwork & no admin** - we do all the work for you!
- ✓ **No printing or promotion** - we provide all the materials and do the leg work for you
- ✓ **We love working with local schools**

Easy and convenient for parents at no cost to them, and no cost to your school.
